Awning Alterations.

Having changed your van it can be a bit frustrating to find that the awning that has given years of trusty service no longer fits as its just too short or too long if you have downsized.

Before spending money in buying a replacement don't forget the option of possibly having the old one altered to fit. Two companies offering such a service are Brian Park Camping based in Chattisham near Ipswich - contact 01473 652404 for more details/opening times or visit www.brianparkcamping.co.uk. Alternatively try the Canvas Repair Centre based in Burton upon Trent. They offer a pick up and redeliver service anywhere in the UK currently costing £22 plus the cost of the repair /alteration. Contact 01283 541721 for more details or visit www.canvasrepaircentre.co.uk
