Dear Mrs Reed,

Thank you so much for your recent gift of £160.00, the funds raised by the Suffolk Centre Caravan Club through the breakfast morning they hosted. Your donations will be used to help people who are blind and partially sighted across the UK to have the same freedom and independence as everyone else. We are so grateful for your generosity.

We rely on donations from individuals to continue our life-changing work. It's only because of people like you that we are able to keep our lifetime promise: **To provide every one of our guide dog owners with a guide dog for as long as they need one.** This means that people who are visually impaired may have up to eight dogs in their lifetime. It costs Guide Dogs around £50,000 to support a guide dog from birth to retirement, so your gift really does make a difference.

If you would like further information about Guide Dogs and our work, please feel free to contact our Supporter Care team on **0800 953 0113** or if you prefer by email at **guidedogs@guidedogs.org.uk** and one of the team will be more than happy to help you. You can also find information on our website at **www.guidedogs.org.uk**

Yours sincerely,

Freya Goodridge
Supporter Care Representative

Did you know?

Almost two million people in the UK are living with sight loss. By 2050, there could be nearly four million.

We rely on donations to continue our life-changing work. Every pound raised makes a difference to people in the UK living with sight loss.

Every hour, another person in the UK goes blind. When someone loses their sight, the charity Guide Dogs is here to make sure they don't lose their freedom as well.
