To all at the Suffolk Centre of the Caravan & Motorhome Club

On behalf of everyone at East Anglian Air Ambulance (EAAA) I would like to offer a heartfelt thank you for your very generous donation of £1,998.35 from fundraising events throughout 2022. Please pass on our sincerest thanks to everyone in the club who has contributed to this amazing total. Please accept this letter as your receipt.

As a charity, we receive no regular government or NHS funding. The work we do at EAAA is supported almost entirely by people like you, who have taken the time to fundraise and support us. Without vital donations like this, we wouldn't be able to provide life-saving critical care across Bedfordshire, Cambridgeshire, Norfolk and Suffolk.

How your donation helps:

Fund a mission - each mission costs approximately £3,750 and we're tasked on average seven times a day from our bases in Norwich and Cambridge. Your donations help keep our crews in the air and out on the road saving lives 24/7 365 days a year!

Provide critical care equipment – at the scene we require specialist equipment to enable us to deliver A&E level care to help patients.

Support our Aftercare service - the missions we attend are often life-changing for our patients. By offering dedicated aftercare support, we're helping more of our patients and their families with recovery.

In 2022 we were tasked to over 2,500 missions by helicopter and rapid response vehicle. Thank you again for supporting your local air ambulance.

Please accept this letter as your receipt.

Yours sincerely,

Ben Walker
Supporter Engagement Team
